NATIONAL HEALTHY HOMES

**TRAINING CENTER™**  
& NETWORK

Funded by the U.S. Department of Housing and Urban Development

## *Training for Public Health & Housing Practitioners*

### **Pediatric Environmental Home Assessment Course**

This online course prepares nurses to complete a pediatric environmental health history and recognize potential environmental hazards and illnesses as part of a primary prevention approach. Nurses also learn to recommend a course of preventative action or make appropriate referrals for conditions with probable environmental involvement.
