

Healthy Home Assessment: Principles and Practice

Exercise #1: Visual Assessment Review

Look at the three PowerPoint slides provided in your student manual and answer the following questions:

Slide 1 of House: What issues do you see in the picture?

Which Healthy Home “Keep It” Principles apply to this photo?

Slide 2 of Bedroom: What issues do you observe directly in the bedroom photograph?

What are some potential hidden concerns or hazards in the bedroom photograph?

Which Healthy Home “Keep It” Principles apply to this photo?

Slide 3 of Various Hazards: What do you observe directly in the four photographs?

What are some potential hidden concerns or hazards in the four photographs?
