

THE BIGGER PICTURE

Healthy Housing
Solutions^{Inc.}

THE BIGGER PICTURE

This is the story of Grandma's house . . .

And this is the story of how mold triggered Grandma's and Red's asthma symptoms . . .

CIRCLE BACK: VISION

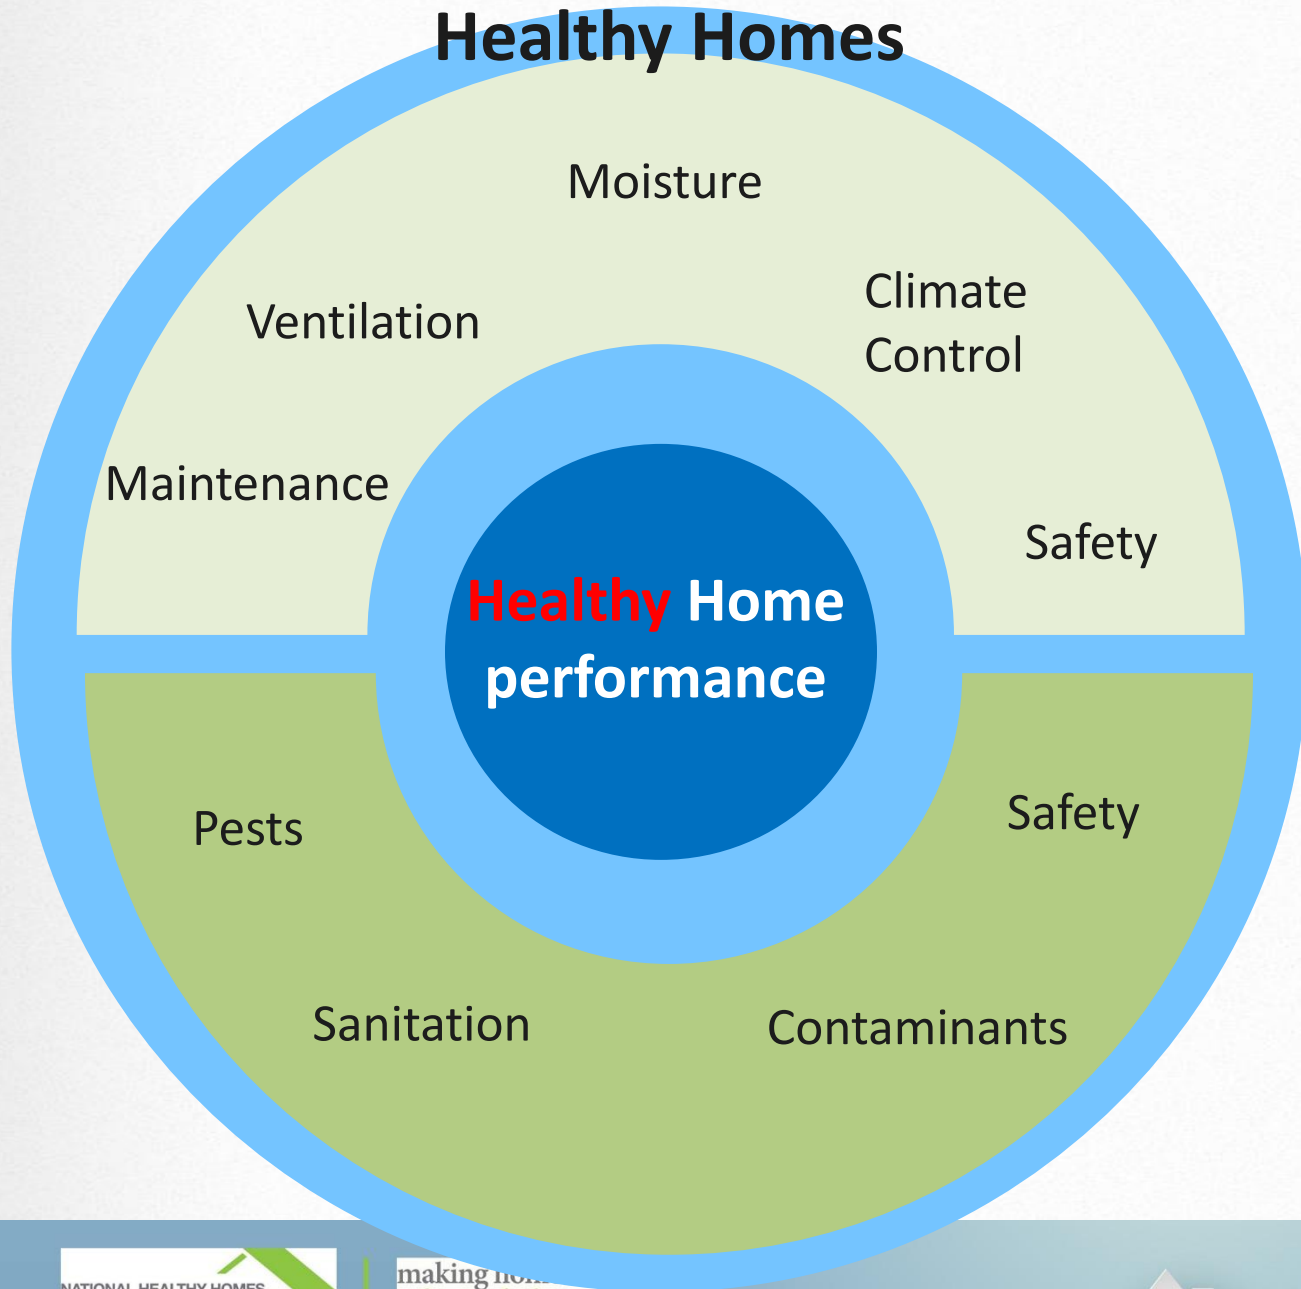

What has changed for you?

What do you see now that was previously “not visible.”

Healthy Homes

Healthy Home Performance

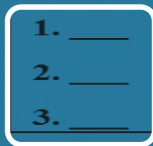

At the end of this course, you are be able to:

1. Apply good practices in working with residents

2. Identify health-related hazards in a home

3. Prioritizing hazards

4. Use tools to measure conditions

5. Identify and communicate solutions

WHY DO A HEALTHY HOMES EVALUATION?

Now, what's motivating
you to do this?

THANKS!

making homes
healthier
