| <input type="checkbox"/> Public policy | <input type="checkbox"/> Other |
| <input type="checkbox"/> Health and risk communication | |

¹ VPT employees are recruited continuously, though assignments may not be available immediately. As a Solutions VPT staff member, you will join our growing roster of highly qualified professionals interested in improving communities and community health through the lens of residential health and safety. Positions may include both long and short-term opportunities. Assignments are offered to VPT employees based on the availability of work requiring a specific skill set or area of expertise.
